ANNUAL REPORT.

AT THE SIXTY-SIXTH ANNUAL MEETING OF THE GOVERNORS OF THE HOSPITAL to be held on Tuesday, the 19th day of March, 1929, at the Guildhall, Launceston, at 3 o'clock, the Committee will present the following Report:—

1928.

Number of Out-Patients	• •	119	
Number of In-Patients	• •	88	8
Number of X-Ray Patients	• •	108	8
		311	5
Operations (major)		2	1
Operations (minor)	• •	28	3
	•	49	-)
For the four previous years:— 1924	1925	1926	1927
Out-Patients 125	133	120	108
In-Patients 67	112	92	110
X-Ray Patients 40	146	144	85

So much for the year's statistics. It has been said, and it is probably true, that nine out of ten Hospital Subscribers only look at the Anuual Report to see if their names and subscribers appear and leave the remainder unread. The tenth subscriber, however, well aware that he or she may be required to speak at the Annual Meeting. studies the report more closely in the hope of discovering some useful topic which will not already have been dealt with exhaustively by earlier speakers. Let us see therefore what there is of interest in the working of the Hospital during the past year.

Finance is always an engrossing subject to the Committee. The year began with a small adverse balance if it is borne in mind that the apparent credit balance was more than absorbed by an amount representing two small legacies which had not then been invested. In accordance with the regular practice they have since been invested, and the end of the year shows a balance in hand. But there are two matters worthy of attention in regard to this balance. The first is the outstanding liabilities amounted to a very much larger sum, and the second is that without that quite new source of income appearing in the account under the name of "Town and Country Subscriptions," our financial position on the year's working would

1

have been somewhat serious. The Committee are therefore very grateful to all those who have collected and to those who have given this useful addition to our income, and their names will be found under their respective parishes appended to this report.

In reply to requests for help, parishes sometimes reply that they have joined the id. in the £ scheme and their money goes to Plymouth. That no doubt is an excellent thing in its way, but a system by which the central Hospitals at Plymouth have a waiting list which has recently been advertised as numbering 400 would-be patients, while the local Hospital is half empty seems to leave something to be desired. The Committee have had under consideration the question of adopting the 1d. in the \pounds scheme and are at present in negotiation with the Plymouth Voluntary Hospitals Committee. They hope to reach agreement shortly either by the adoption of the scheme as a whole or by the adoption of a modified scheme, which will enable id. in the £ scheme contributors to be treated locally on payment towards the cost out of the funds at the disposal of the Plymouth Committee. The Committee accordingly ask the Governors to authorise them to enter into such arrangements and to make such alterations in the Rules as may be necessary in order to give effect to whatever system may finally be thought most convenient.

Signs appealing to motorists to drive quietly have recently been erected and good results are hoped for. The Town Council has very kindly undertaken to bear one-half of the cost, up to a sum of \mathfrak{L}_{10} which will probably be just about one-half.

Both the Coolidge Tubes belonging to the X-Ray apparatus have elected to break down together in spite of the cotton-wool existence which they ordinarily lead. One is being repaired at a cost of £17 and the other is being replaced by a new Tube costing £25. We can look back with gratitude to the late Councillor Barriball's successful efforts to raise a fund for the X-Ray apparatus which enables us to meet this expenditure with comparative equanimity.

The Committee wish to record their appreciation of the services rendered by the Medical and Nursing Staff. Sister Harvey has succeeded Sister Hamilton. The Domestic Staff also deserve thanks.

The office of President has unfortunately remained vacant during the past year. The Representative Committee has met on several occasions and has proved of value. Legacies have been received under the Wills of the late President, Mr. Bradshaw, £100, and Mr. James Butler £50, and a Donation from Mr. C. H. Gillbard, of £50, to mark a special occasion.
